Campership Application

INFORMATION

Caddy Lake Camp is fortunate to receive funding from the Winnipeg Foundation to assist members of Guiding to reduce the cost of attending summer camp sessions. We have a finite annual campership budget, so campership assistance is determined by the number of applications and final budget amount. Our goal is to help as many people as we can. We may not be able to cover 100% of the outstanding balance. All Campership information is kept confidential.

Some rules for application -

- We only support ONE session per camper per camp season.
- Applicants are required to provide written formal documentation verifying economic need. Assessment of financial need will be based on gross household income (income before deductions) and will take into consideration the number of family members. Below are accepted documents verifying income, please attach one option to your application:
 - ALL Household members T4 summaries
 - ALL Household member's most recent pay stub
 - ALL Household member's notice of assessment from previous tax year
 - If you are on social assistance – Government Budget Statement
 - If you are a refugee claimant – Government proof of refugee status in Canada
- Campership support is only available for OWNERS or MEMBERS of Guiding who were registered in a Unit in the year prior to the Camp Season. ie. If you are registering for Summer Camp in 2018, you must have been a member in the 2017-2018 Guiding Year. NON-MEMBERS are encouraged to apply through the Manitoba Camping Association Sunshine Fund.
- The minimum camper contribution is 20% of the camp fees.
- A Campership Application WILL NOT be considered if the online registration is not completed. In online registration, you may select "Pay Deposit Only" to pay by credit card or "Mail in Payment" to send cash or cheque to the Camp Office. If the deposit is more than 20% of the camp fees, once a decision is reached regarding your Campership Application, we will refund the difference, if required.
- The deadline for applications is **May 1st**. We will not consider any applications that arrive after the application deadline. For the Guider's Recommendation, please remind them of the importance of these deadlines to prevent problems with your application.
- Please allow two weeks after deadline for decisions regarding Campership Applications. You will be notified by email of the outcome of your Application Review and any balance that may be due.
- The balance of registration fees, if any, are due by **June 15th**.
- The Early Bird Discount for a Free t-shirt will be honoured for Campership Applications.
