All medications must be in original packaging, marked with the camper's name and must be handed in to the REGISTRATION DESK at bus check in or CAMP NURSE/WELLNESS DIRECTOR upon arrival (exception made for asthma inhalers and Epipens).

Should an item be found at camp, it will be placed in the lost and found. All lost and found items are returned to the camp office at the end of the season. To search for a lost item, please contact the camp office prior to September 30th. All items will be donated October 1st.
